AT THE FESTIVAL!

Local Haunts

Crafted with design-lovers in mind, the Travel Colours Guides by Stefanie Friese offer inspiration and local insight from Reykjavik to Cape Town.

See You in Berlin!

This 2018-released eyewear brand by former Mykita executives combines technical expertise and straightforward design. Why not look at a Haffmans & Neumeister model as a contemporary Berlin souvenir?

AT THE FESTIVAL!

Eternal Sunshine

A portable solar lamp ready for your next hiking trip. Your purchase also helps to support a project that delivers Little Sun (for an affordable price) to communities without electricity.

TAKE ME WITH YOU

From stylish accessories to practical tools, these products are ready to accompany you on your next far-flung journey.

Mine!

Make sure it's yours! AWAY, a direct-to-consumer startup for luggage, offers a monogram service for your suitcase. The built-in power bank a practical touch.

Packing Perfection

Have you ever opened your suitcase to find a wrinkled mess? The founders of KUVERT BERLIN have designed a solution for this problem. Skip plastic organizers, and opt for this reusable and stylish range of shoe, laundry, and shirt bags to protect your garments.

AT THE FESTIVAL!

Gear for Good

Hailing from Salt Lake City in the United States, COTOPAXI has been setting the standard for sustainable production and durable construction.

Safer Hiking

If you're on a trip without access to clean drinking water, this Seattle-based company has you covered. GRAYL's bottles feature a built-in purifier to protect against potentially dangerous bacteria and chemicals.

Face Time

Leave the liquids and plastic containers behind. From Korea by way of Berlin comes BINU, a 100% biodegradable facial soap brand. Their mini-set doubles as the perfect travel-size kit.
